

Poudre Valley Hospital

UNIVERSITY OF COLORADO HEALTH

NOTICE

The medical director, Dr. Mike Apostle and the medical directors group hereby notifies the Emergency Medical Providers currently with Physician Advisor Agreements of the following protocol changes or revisions:

| | |
|---------------------------|--|
| Protocol: | Ebola Virus Disease |
| Summary: | To provide guidelines for the transport and treatment of patients with suspected Ebola Virus Disease (EVD) |
| Required Training: | none |
| Date of Release: | 10/4/2014 |
| Date of effect: | 10/4/2014 |

These protocols are continually being updated. It is the responsibility of agencies and individuals practicing under these protocols to adhere to the current protocol.

This notification and date of effect supersedes any existing previously released paper or electronic protocol.

Questions or concerns should be directed to PVH-EMS@uchealth.org
