

Colorado Fire Service Critical Issues Briefing Wednesday, February 14

Location: Red Rocks Park & Amphitheater / The Rock Room
18300 W. Alameda Parkway
Morrison, CO 80465
[MAP](#)

Time: 9:30am Registration
10:00am – 3:00pm Meeting with Lunch

AGENDA*

- NFORS: The National Fire Operations Reporting System is most comprehensive way to get accurate and real-time information to help fire service leaders assure adequate fire resources; optimize fire operations; reduce firefighter injury and death; minimize civilian injury and death; and minimize property loss.
- Legislative Session Update
- Statewide Fire Service Mutual Aid: Where's the Fire Service?
- Implementing Impact Fees: Home Builder Association & Fire Service Panel
- Labor Management Update: Poudre, South Metro & More
- RAR 2019: New Storm Clouds Gathering from Gallagher & Tabor Impact on the Fire Service
- Clearing Traffic Using Mobile Vehicle-to-Vehicle Preemptive Notifications
- #metoo: Is the Fire Service OK?
