

COLORADO STATE FIRE CHIEFS

COMBINATION SECTION MEETING

OCTOBER 11, 2017

AGENDA

Our next meeting will be on Wednesday, October 11, 2017 at 1800 in Torry's I-II meeting rooms at the Fire Leadership Challenge Conference in Keystone. Our meeting will immediately follow the vendors meet & greet session. Enjoy the food served with the vendors. We will serve a light dessert at our meeting, which will be sponsored by F & W Insurance/VFIS. Please extend your thanks to this fine organization.

1. Welcome and introduction of members and guest present.
2. The annual year end meeting of the Combination Section has traditionally given each member an opportunity to discuss their successes and the items that they have been working on during the past year. This information is usually very useful to all of us in our efforts to review our current year's activities and plan for the coming year. We look forward to your presence and participation as we wrap up another very successful year of educational and informative meetings relating to Combination Fire Departments. Please come prepared to discuss 2018 meeting topics, ideas and drafts.
3. Our only membership requirements are that you are a member of the CSFC and be in good standing. Please pay your annual dues in a timely manner.
4. Please spread the word about joining the CSFC and our Combination Section, especially to new Chief Officers as they move into your area. For more information please see our website at: colofirechiefs.org or E-mail Garry Briese at: gbriese@brieseassociates.com.
5. Reach out to a neighboring Combination Department Chief Officer and invite him/her to attend our meetings. New faces and new ideas help us to grow and expand our knowledge.
6. Thanks for your support and participation over the last year in the IAFC, CSFC and our Combination Section. **Please plan to pay your annual dues in January 2018!**
