

June 14, 2017

Update on Current Programs and Activities

- **Colorado Fire Service Critical Issues Briefing June 28/Breckenridge**
 - Focus on traffic safety and safety in the WUI
 - Those registered for the Missouri Valley Division Conference can attend the CIB without charge
 - FirstNet Colorado will report on status of opt-in or opt-out of the national FirstNet program

- **Congressional Fire Service Caucus**
 - Colorado only has 2 out of 9 members of the Colorado congressional delegation as members of the CSFI
 - The reauthorization of both AFG & SAFER is currently being discussed by the US Congress
 - Contact both Senators and your Congressman if you want to see AFG/SAFER reauthorized
 - No reauthorization = no more AFG/SAFER

- **FLC Program Planning Committee Update**
 - Billy Goldfeder & Bobby Halton are featured keynote speakers
 - Both COLS & CHIEFS will be offered
 - 24 educational workshops
 - Nearly 100 exhibiting companies
 - Registration now open www.cofirechiefs.org/flc2017/

- **Ground Emergency Medical Transportation Reimbursement**
 - A promising administrative solution is being pursued vs legislative
 - More information will be available in late July

- **CPFF Meeting in Vail on June 26**
 - Chief Don Lombardi, CSFC President & Garry Briese, CSFC Executive Director will address the CPFF opening session

- **MV Division Conference in Breckenridge on June 29-30**
 - CSFC members should have received information already
 - <http://mvdiafc.org/conference/>

- **Gallagher update**
 - CSFC continues to seek a long term solution to the Gallagher & TABOR negative synergy

- **Implementation of Impact Fees in El Paso County**
 - Colorado Home Builders Association is actively engaged with the El Paso County Fire Chiefs & the El Paso County Board of Commissioners
 - Colorado HBA believe that the experience in El Paso will be a template for the rest of the state
 - Work continues
